

**AFFAIRS AT SOUTH OMAHA**

**Police Recover Goods Said to Have Been Stolen from Cars.**

**MAY FIND GANG OPERATING**

**Packers Are Benefiting from Federal Order that Will Permit Shipment of Cattle Only for Slaughter Purposes.**

Joe Jernan, special agent for the Burlington railroad, and John Trouton, also of the Burlington, together with Chief of Police John Briggs, recovered about \$300 worth of merchandise alleged to have been stolen from the railroads. The stuff was found in the home of George Shielcowlack, at 1016 North Thirty-sixth street, in South Omaha. Three men are said to be involved in the deal.

The articles recovered were nine cases of shoes and thirty-two pairs of rubbers, four rifles, a number of shotguns and other articles.

Chief of Police John Briggs expressed the belief that a gang of thieves would be arrested in consequence of the discovery of the missing articles. For some time the railroad cars in and about South Omaha have been robbed. The cars in question were billed out of Kansas City to Caspar, Wyo. The local police and the railroad officers will continue their investigations.

**Business Manager Wanted.**  
Rev. Robert L. Wheeler of the First Presbyterian church sends out the message through the columns of the Presbyterian, that unless a capable business manager can be obtained to fill the place of "Ted" Bratton, who resigned from his position as business manager of the paper lately, the paper will probably have to be discontinued. The Presbyterian has been in existence sixteen years and it would be a bitter blow to Rev. Mr. Wheeler as well as to many of the older members of the local church should it be compelled to suspend publication.

**War Tax at Yards.**  
Commission men at the Union Stock yards are in a quandary as to the working of the new war tax. Of course they must pay taxes on all legal papers such as mortgages and notes. They are also required to pay a 1 per cent tax on bills of lading, which in most cases amount to 1 per cent on a carload of stuff. Word, however, from other markets indicates that there is no tax to be collected upon bills of sale, which of course lets the farmer out.

It was pointed out that the exemption of the farmer from paying the war tax on his bills of sale would mean a pretty good bit of politics for the administration.

**Packers Are Profiting.**  
With Chicago holding over 15,000 cattle from Wednesday's market the local market yesterday showed up fairly well. For hogs and sheep the market was even, running a bit better than the Chicago market.

It is being urged, however, that the farmers hold back their stuff so as not to glut the market. As it is the packers have the best of it, because there is no other outlet for the shipper's stuff except the slaughter pens. This is due to quarantined regulations, which require that live stock coming out of quarantined districts must be killed immediately and can not be sent to the feed lots.

**Yaracek Redeems His Wheel.**  
John Yaracek, after working several days to make enough money to redeem his motorcycle from the South Omaha police station, returned yesterday and paid \$10 and had the machine released.

When Yaracek was arrested some days ago he was permitted to leave the station after he had promised to return next court day. He left his motorcycle for safety. When he did not return the police feared that he was not the owner of the machine. The young man, however, did not have the money to pay the fine and had to work several days. When he had obtained the money he returned and redeemed the machine, which is his own property.

**NEW GENERAL SECRETARY OF THE ASSOCIATED CHARITIES.**

MRS. GEORGE DOANE.

**Mrs. George Doane Elected Secretary Of Omaha Charities**

At the annual meeting of the directors of the Associated Charities, Thursday, Mrs. George Doane was elected to be permanent general secretary in place of Miss Mahet Porter, whose resignation was accepted. The directors decided to start next week in a campaign to raise \$10,000 to meet the regular budget for the year.

With the intention of working gradually toward the task of the organization, it was decided to choose a representative from each charity organization in the city to serve on the executive committee of the Associated Charities. The idea is that the latter should be the central body and clearing house for all charity work in Omaha.

In addition to Mrs. Doane, who has had considerable experience in local charity work through her connection with the tornado relief committee for five months, these other officers were chosen, most of them being re-elections: E. W. Dixon, president; Charles T. Kuntze and Dr. Ira W. Porter, vice presidents; Mrs. Draper Smith, secretary; Robert T. Burns, treasurer.

These citizens were added to the executive committee: C. C. Rosewater, W. Farnam Smith, Frank W. Judson, Charles F. Jusod, Rev. Edwin Hart Jenks, D. D.; Gould Dietz, Harry Donny and Byron Clow. Six more are still to be chosen as additional members of the committee.

**Nebraskan Killed As Car Overturns**

SIoux CITY, Ia., Dec. 4.—A motor car occupied by William Halsworth, his wife and baby and W. A. Johnson, who was driving, turned over a mile from South Sioux City, Neb., tonight, killing Halsworth and injuring the other three occupants. Halsworth lived on a farm near Winnebago, Neb., and was returning home from a trip to Sioux City.

**NIELSEN LOOKING AFTER WARM STABLES FOR HORSES**

Humane Officer Nielsen has completed a canvass of the north part of Omaha and ascertained that in several instances only improvised shelter were given horses. In each instance, however, the animals were better taken care of after a notice to such an effect was given the owners.

Nielsen will spend next week in the south part of the city, and after the first warming will visit all of the places again and call to an accounting those who have neglected his request.

**BUTTERMAKER VICTIM OF TWO NERVY THIEVES**

Anton Nelson is a butter-maker and he lives near Kimballton. In yesterday afternoon he was in Walt Lemming's saloon on Douglas street, drinking with two strangers, when he commenced to tell them about the joys of his occupation.

"Say, cull, you look as soft to us as the butter you talk about," exclaimed one of the strangers suddenly, as he reached in Anton's money pocket and seized \$15 in bills.

Anton ran out of the saloon after the thieves, but they were soon lost in the crowd.

**PERSONAL PARAGRAPHS.**

John E. Buckingham, general baggage agent of the Burlington, came over from Chicago to spend the day with friends and to play a few holes of golf on the Omaha links.

**Large Sums Stolen from Loan Company**

BOSTON, Dec. 4.—The police today were busily engaged in an effort to obtain information upon which to base possible additional arrests in connection with the theft of large sums of money from the Collateral Loan company, known as the largest loan brokerage concern in the country.

Investigation of the company's affairs is said to have disclosed losses through thefts not connected with the methods alleged to have been used by William Cobb, who has just resigned as president of the company and who was arrested last night, charged with the embezzlement of \$25,000. The police believe that jewelry in large quantities pledged with the company had been taken from its vaults and

pledged, with a resultant loss to the concern of about \$25,000.

It was expected that Cobb, who spent last night in jail in default of \$25,000 would be given a hearing today.

**Wolfe Knew Read Down in Arkansas**

Robert E. Wolfe, former city boiler inspector, knew Ocie Read, the famous novelist, who is now a guest of Omaha, when Mr. Read was clerking in a hardware store at Little Rock, Ark. Wolfe was selling newspapers on the street at the time and became personally acquainted with the novelist.

"He won't remember me, of course," said Wolfe, "but I remember him well enough. He is a great fellow."

**Old Age Can Be Made the Period of Greatest Happiness**

As age advances the stomach and bowel muscles lose their elasticity and no longer respond readily. The result is constipation, or dyspepsia, biliousness, sour stomach, bloating, drowsiness after eating, belching, headache, etc.

The foregoing was about the condition that Mr. Wm. A. Roecker, 54 Vienna St., Rochester, N. Y., found himself in some time ago.

A good friend persuaded him to take Dr. Caldwell's Syrup Pepsin, a widely known laxative- tonic that has been on the market for two generations.

After a brief use of it he writes that if he had the last bottle obtainable he would not part with it for a hundred dollars—and Mr. Roecker is not an especially rich man either—for he considers himself entirely well.

Another noteworthy case is that of Mrs. Margaret Barringer of Newark, Ohio, who is 82.

Dr. Caldwell's Syrup Pepsin is without doubt America's greatest household remedy. Its mild action recommends it especially for babies, women and old folks, for these should not take drastic cathartics and purgatives such as pills, powders, salt waters, etc.

Your druggist sells Syrup Pepsin at fifty cents and one dollar a bottle, and you should always have a bottle in the house. Thousands of old users always have the dollar size, as it is more economical. Results are guaranteed or money will be refunded.

Dr. Caldwell is glad to send anyone who has never tried his remedy a free sample bottle for personal investigation. Simply clip this coupon and enclose in an envelope with your name and address, or write your name and address plainly on a postcard and mail it to Dr. W. B. Caldwell, 67 Washington St., Monticello, Ill.
